SENATOR V. JOHNSON: Mr. Speaker, as you may recall this morning we dealt with a 273 which is just off of Select File. This is a major rewrite of a lot of the revenue law. It does raise some additional money for the State of Nebraska. Because it has got some new administrative provisions in it, it does generate a modest A bill in terms of collecting the taxes. 273A is for \$200,000 and I would move the bill.
