

estimated period of 15 years. The balance of the fund will then lapse back into the general fund on an annual basis. Reference is made to the internal revenue code's Section 103, interest generated from the cash reserve fund cannot be utilized to retire the bonded indebtedness and, finally, the City of Lincoln has agreed to issue the bond for the state. The back taxes and the special assessments against the property which are now due and owed by the receiver will be paid as the properties on which these taxes and specials are due and owing are sold. That essentially is the amendment to 713, Mr. President. Move its adoption.

PRESIDENT: Senator Haberman.

SENATOR HABERMAN: Mr. President, first of all, I'd like a point of personal privilege.

PRESIDENT: Yes, Senator Haberman.

SENATOR HABERMAN: I have a letter that I'd like to read. "I'm a fourth grader at Meadow Lane School," and it says, "I have been chosen to be you when we practice the Legislature soon so I would like at this time from the Meadow Lane School. introduce me, Emily Rourke." (inaudible) Mr. President, thank you. The second thing is I would like to ask for a division of the question.

PRESIDENT: Didn't know you were so good looking, Rex.

SENATOR HABERMAN: The division of the question, first of all, I would like to divide the tort claim and contract claim issue of this bill and separate it from the cigarette sales tax issues in this bill because I think they're two complete separate issues and we should discuss the first and then get on with the second.

PRESIDENT: Senator Barrett, may I ask a question? Senator Haberman has raised a point of order...offering, asking a division of the tort claims provisions as against the, what is it, Mr. Clerk, the...Senator Haberman, what is your point? The division between tort and...

SENATOR HABERMAN: No, I want, you see we're going to discuss the tort claim and the contract claim as one issue and then I'd like to divide what we're going to do with the cigarette tax money in Section 11 on out of...
