

establish a motorcycle trail right outside the window of the Director of the Game and Parks Division and all my friends and their Harley Davidson's can zip by it and gun their engines in salute to the new roof that will be there because of their money from their fee from their driver's licenses for the right to drive a motorcycle. Just go vroom, vroom, vroom, vroom as they go by the window just to remind the Game and Parks from whence they got the money for their new roof.

PRESIDENT: A good point. Senator Smith.

SENATOR SMITH: Mr. President, I would like to just have a little clarification. If I could ask a few questions, I would appreciate that. The first one of Senator Warner.

PRESIDENT: Go ahead, Senator.

SENATOR SMITH: Senator Warner, this money that has been transferred was transferred because there was an excess of funds.

SENATOR WARNER: In the motorcycle fund, there is money over and above what was required for their programs operations, yes.

SENATOR SMITH: Okay, maybe I could ask the question, I see Senator Landis is missing here. Senator Landis.

PRESIDENT: Senator Landis, your counsel is (interruption)...

SENATOR SMITH: Could I ask a few questions of you please. All right, the first question, Senator Warner says that this money was over and above what they needed in that fund. What is the money being utilized for in that fund?

SENATOR LANDIS: The money is being utilized on a reimbursement basis for people who take motorcycle safety courses and it goes back out to instructors to pay them in part for their time and costs to teach motorcycle safety to new drivers.

SENATOR SMITH: Has it not been utilized?

SENATOR LANDIS: The experience with the account has been
