is on, do you wish to speak on this amendment? Very well,
on the bill, very well. Does anybody wish to speak on the
Lamb   amendment?   Did   you,   Senator   Chronister?   Was
that...all right, Senator Lamb, do you have any closing?

SENATOR LAMB: Well, the intent of the motion is to
guarantee that these election districts will not be reduced
to less than 20.   We have 21 now.   There is nothing in the
bill that says otherwise that there will be any number
because this commission would have the authority to reduce
the number to any point, as I read the amendment by Senator
Beutler.   I don't think the people in the State of Nebraska
want to have a huge, huge district.   I would predict that
within a short time they would be reduced dramatically and
the people would be looking at huge, huge districts when
they go about electing or retaining their judges.   I ask
that the amendment be adopted.

PRESIDENT: The motion is to adopt the Lamb amendment to the
committee amendments to 516.   All those in favor vote aye,
opposed vote no. A simple majority required for passage,
for adoption.   You are voting on Senator Lamb's amendment to
the committee amendments to LB 516.   Please record your
vote.   The legislators might want to give their attention to
the matter before us at the present time by recording your
vote on the Lamb amendment to the committee amendments of
LB 516.   May we have your cooperation and attention. Please
record your vote if you wish to vote. Please record your
vote on the Lamb amendment. Have you all voted? Have you
all voted? Have you all voted? Record the vote, Mr. Clerk.
Senator Lamb.

SENATOR LAMB: I would ask for a call of the house,
Mr. President.

PRESIDENT: Very well.   Call of the house has been
requested.   The question is, shall the house come under
call?   All those in favor vote aye, opposed vote nay.
Record the vote, Mr. Clerk.

CLERK: 7 ayes, 0 nays to go under call.

PRESIDENT: The motion carries.   We are under call.   All
members of the Legislature outside the Chamber, please
return to the Legislative Chamber, the house is under call.
