

States stamp sealed right over the top of the cap. As soon as that is broken then it is unsealed.

SENATOR CHAMBERS: But the bill doesn't say that is all that it refers to, does it?

SENATOR SIECK: Well, that is what it is though. That's what it means.

SENATOR CHAMBERS: It could be anything that somebody interprets or construes to be a seal, couldn't it?

SENATOR SIECK: Sure.

SENATOR CHAMBERS: So it could be vague. This is vague the way it is written right now because nobody can say precisely what the word means. Do you consider yourself to be a reasonable man?

SENATOR SIECK: Yes.

SENATOR CHAMBERS: Do you consider me to be a reasonable man?

SENATOR SIECK: Yes, sure do.

SENATOR CHAMBERS: And we disagree as to the meaning of the word. So if two reasonable people can disagree as to the meaning of a term, the term is not precise.

SENATOR SIECK: But anything to change it so it makes it reasonable, I would be glad to. But...

SENATOR CHAMBERS: Oh, no, I don't want...

SENATOR SIECK: ...we must remember that we can't write everything in law. It takes a lot of good common sense to uphold these laws.

SENATOR CHAMBERS: Senator Sieck, I think I am going to leave that point. I think I heard you say that if a person...

SPEAKER NICHOL: Half minute.

SENATOR CHAMBERS: ...has an open container, the assumption
