

has in possession a container that held...has alcohol in it, he is subject to a citation. Now I would like to see the bill advance and I can make it stronger on Select File according to the original bill that I had. It says that you could carry the liquor in the trunk that has been opened. And then that way it would be inaccessible. With the amendment that Vickers and Chambers had, it would have meant completely out of the car. It couldn't be anyplace and that was a problem. So I encourage you to advance the bill and let's get with it. Thank you.

SPEAKER NICHOL: The question is the advancement of the bill. All those in favor vote aye, opposed nay. Record vote has been called for. We are voting on the advancement of the bill. All those in favor please do so if you care to. Two are excused now.

SENATOR SIECK: I'd just as well ask for a call of the house so we can get...(interruption).

SPEAKER NICHOL: Okay, the question is, shall the house go under call? All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 13 ayes, 0 nays to go under call.

SPEAKER NICHOL: The house is under call. Please record your presence if you are here. Please return to your desk and record your presence. Those not in the body, please return and record your presence. Unauthorized personnel, please leave the floor. While we are collecting, I would like to say a word to you, ladies and gentlemen. (Gavel.) While we are collecting, I would like to say a word. (Gavel.) I would like to have your attention just a moment while we are recording our presence. We have only acted on two bills so far today and with 13 days left at this speed we will not make it. And with Final Reading coming up tomorrow, we had better get with it and move these a little faster. Not that I want to thwart debate, of course, but the writing is on the wall. You may have some down there and with the great amount of work we must be doing between now and then, we must speed it up and it may be your bills down there that we may not get to. So with that word of warning, I suggest that we stick around a little bit closer so that we don't have to spend so much time under call or getting our call together. Thank you. Looking for Senator
