

I am asking you to reinstate \$139,000 into the budget. I contend it will be cheaper if we leave it as it is rather than go into this exercise in futility of developing a new social detox unit which will not be able to handle the needs of the patients. Jails will have people in them that they can't care for. Who will take the costs of those that can't pay for their own costs if they have to go to a hospital? It will come to the state in the end. So I will simply close by telling you that I feel I have given you the facts as I have them and I firmly believe that you're not going to save money by going this route and so I ask your support in reinstating \$139,000 for the continuation of what we all know already is a functioning program. Thank you.
