

SPEAKER NICHOL: One minute.

SENATOR HIGGINS: Nobody that had a penny in Commonwealth is going to go to those races. I mean, Lincoln can spend all they want on their race track. I just don't know if I can vote for this bill now that I have found out what poor long-suffering Lincoln is going to get. They wouldn't take a penny of their money and give it to the people of Commonwealth. But I have seen Lincoln Senator after Lincoln Senator stand up and politically use the elderly that lost their money at Commonwealth. Has anybody ever mentioned the fact that the Nebraska Association of Independent Insurance Agents lost \$140,000 in Commonwealth? Oh, we don't talk about those big corporations or those big associations. Has anybody ever mentioned the fact that the Iranian students, those from Iran that held our Americans captive, the University Foundation gave them back every penny they lost in Commonwealth?

SPEAKER NICHOL: Time is...

SENATOR HIGGINS: What has Lincoln done?

SPEAKER NICHOL: Time is up.

SENATOR HIGGINS: Just kept their hand out saying, give me, give me, give me. I don't know if I will vote for this bill or not. It is too much for Lincoln for me to stomach. Thank you.

SPEAKER NICHOL: We have a new motion up, but may I introduce some guests of Senator Smith. In the north balcony we have 18 students and 5 adults. They are in the seventh and eighth grade. Now the students are in the seventh and eighth grade, but they have 5 adults with them, from Hastings, Nebraska. Would you folks please stand and be recognized? Thank you for visiting us today. Mr. Clerk, I hear we have a motion.

CLERK: Mr. President, Senator Chambers would move to reconsider the vote on the motion to return LB 154, which is offered by Senator DeCamp.

SPEAKER NICHOL: Reconsider motions take priority, so Senator Chambers.
