

January 8, 1986

Resources District, the Middle Missouri Natural Resources District and the Middle Niobrara Natural Resources District, as well as the Middle Republican Natural Resources District, and the North Platte Resources District, and the Papio Natural Resources District and South Platte Natural Resources Districts, Tri-Basin NRD, Upper Big Blue NRD, Upper Loup NRD, and the Upper Niobrara White Natural NRD, Upper Republican NRD. All of those reports will be on file in my office.

I have received reports from the following agencies which are required to be filed with the Legislature by statute; a series of reports from the Director and State Engineer which are filed in compliance with deposits in the Highway Cash Fund. I have received a series of Building Division memorandums regarding leases that have been entered into by various state agencies since the Legislature was last in session. I received a series of audit reports from our State Auditor to include audit reports on the Department of Agriculture, the Department of Motor Vehicles, the Department of Labor and the Board of Barber Examiners. I have received the minutes from the Board of Public Road Classifications and Standards. I have received quarterly reports from the Nebraska State Highway Commission which is also required to be filed by statute. I received from the Nebraska Games and Parks Commission a report regarding projects to be certified in the Department of Roads for design purposes. I have received from the Director and State Engineer a report regarding the activities of the Department of Roads with the Games and Parks Commission. I received a series of reports from the State Personnel Department. I received a report from the Tax Commissioner regarding the examination and audit of books of the office of Auditor of Public Accounts. I received a report regarding a proposed modification of the Greater Nebraska Job Training Act as submitted by the Department of Labor. I have received a 1985 Annual Report from the Nebraska Investment Finance Authority; a biennial report from the Department of Energy; a report from Mr. William Giovanni as Director of the Department of Administrative Services; a report from the Natural Resources Commission as filed by Mr. Dayle Williamson; a report from Mr. Dennis Grahams from the Department of Environmental Control; a report from the Nebraska Community Improvement Program; a report from the Department of Agriculture; a second biennial report from the office of Energy; a report from...two reports from the
