SENATOR HIGGINS: You're on my time, Morehead, but I'll yield it to you.

SENATOR MOREHEAD: Thank you, Senator Higgins, for yielding your time to me. One last thing that I would like to point out to you on Format II, the second line up from the bottom, this was just an original work sheet, it said, "Abolish Administrative Rules and Regulations Review Committee." That would take a statute change. This was part of the work sheet and could not be done either through a rules motion or just as an executive implementation...Executive Committee implementation, administrative. It would take a statute change. So...

PRESIDENT: Having made that introduction of the subject matter, Senator Morehead, the Chair would allow Senator Higgins to complete her time if she wishes, but if it is to be debated on Monday, I think we should pass over it now. Senator Higgins.

SENATOR HIGGINS: Well, how much time do I have left?

PRESIDENT: A minute and a half.

SENATOR HIGGINS: Well, I could sing a few verses.

PRESIDENT: Well, that is fine. You are in good tone.

SENATOR HIGGINS: Thank you. In the interest of just moving ahead, I will forego my minute and a half. Thank you.

PRESIDENT: Thank you, Senator. Next on the agenda, Mr. Clerk.

CLERK: Mr. President, the next proposed amendment I have is by Senator Withem. Senator Withem's amendment is on page 213 of the Journal.

PRESIDENT: The Chair recognizes Senator Withem.

SENATOR WITHEM: Mr. Chairman, is this the last of the...the second to the last proposed rules change and then Senator Morehead's?

PRESIDENT: No.
