

SENATOR LANDIS: Yes, there is one committee amendment that I would like to have voted on singly. I have no question or qualm with all of the committee amendments with the exception of the addition in, I believe it's Section 12 of the committee amendments that Senator Johnson put in in the Executive Session of the Miscellaneous Subjects. The rest of the committee amendments are suggestions that I had given the committee but this was new matter and I would like it separated, the question separated into two parts, committee amendments except for Section 12 and then Section 12.

SPEAKER NICHOL: What we will do, Senator Landis and Senator Hefner, is take all of the committee amendments with the exception of number 12 and we will take 12 after we are through with the remainder of the committee amendments. Now, did you wish to speak about that, Senator Landis?

SENATOR LANDIS: I support the committee amendments. They are an improvement on the drafting of the bill.

SPEAKER NICHOL: Okay.

SENATOR LANDIS: And I hope that they are adopted.

SPEAKER NICHOL: Okay, we are now voting on the adoption of the committee amendments with the exception of Section 12. All those in favor of the committee amendments with the exception of Section 12 please vote aye, opposed nay. Have you all voted? We are voting on the adoption of the committee amendments with the exception of Section 12. Record, Mr. Clerk, please.

CLERK: 25 ayes, 0 nays on the adoption of that portion of the committee amendments other than Section 12, Mr. President.

SPEAKER NICHOL: Okay, all of the committee amendments are adopted with the exception of Section 12. Now, Senator Hefner and Senator Landis, do either one of you wish to talk about Section 12? Neither one wants to take it. I see.

SENATOR LANDIS: I am in opposition to Section 12, so it's probably not appropriate for me to open on the subject, perhaps, Senator.
