resolution?

SPEAKER NICHOL: Mr. President and members of the
Legislature, this resolution recognizes the passing of
Senator Lundy's mother, which is certainly appropriate. And
while most of us didn't know it, we certainly know Senator
Lundy and extend our sympathy to him, his family and the
members of his mother's family. So I think this is a
fitting resolution for us to do at this time. Thank you.

PRESIDENT: Is there further discussion?   If not, all those
in favor of the resolution vote aye, opposed vote nay. We
are voting on the sympathy resolution for Senator Lundy on
the occasion of his mother's death. Please record your
vote.   Please record your vote on the Lundy resolution.
Have you all voted?

CLERK: 33 ayes, 0 nays, Mr. President, on adoption of the
resolution.

PRESIDENT: The motion carried, the resolution is adopted.
Introduction of new bills.   Onto General File then.   I
believe we left off yesterday with LB...there is a special
order today on taking up LB 825.   -

CLERK: Mr. President, LB 825 was a bill offered by the
Banking, Commerce and Insurance Committee. (Read title.)
Mr. President, I do have a motion from Senator DeCamp
regarding consideration of the bill today and that is that
Senator DeCamp would move to suspend Rule 6, Section 2, so
as to permit consideration of LB 825 on General File today.

PRESIDENT: The Chair recognizes Senator DeCamp. May we
have order in the Chamber, please. Senator DeCamp.

SENATOR DECAMP: Yes, Mr. President, what I am going to do,
I am handing out a letter and actually it is two letters,
one from the director of banking, the new director, and one
from the Nebraska Bankers Association. What I would like to
do is I will just read you the letter from the Nebraska
Bankers Association and I think it explains pretty clearly
why we are trying to "rush" this bill ahead of all other
bills and get it passed before, well, actually get it passed
Friday, I guess. "Dear Senator DeCamp: Regarding LB 825,
Martin Luther King, Jr. bank holiday"...I can see I am
interrupting a lot of conversations, but...
