

of underground storage tanks. In making such a distinction, the State Fire Marshal, changing the may there on line 17 to a shall, consider that he has got to take these things into consideration. He can't just leave that a choice judgment or a chance part because of differentiation of different types of tanks, different locations, that he has to do it.

SPEAKER NICHOL: Senator Rod Johnson, please.

SENATOR R. JOHNSON: Mr. Speaker, I would just say I have no problem with Senator Pappas's amendment.

SPEAKER NICHOL: Senator Rod Johnson, did you wish to speak on this? You're all through? All right. Senator Pappas, would you like to close?

SENATOR PAPPAS: (Response inaudible.)

SPEAKER NICHOL: The question is the adoption of the Pappas amendment. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

ASSISTANT CLERK: 25 ayes, 0 nays, on the adoption of the amendment, Mr. President.

SPEAKER NICHOL: The Pappas amendment is adopted. Do you have any other amendments on it? That was an amendment to the amendment. Now we are back to the amendment. Rod Johnson, we're back to your amendment. Anything further to say about it?

SENATOR R. JOHNSON: Mr. Speaker, I would just move the amendment. As I said earlier, this is a substitute to the committee amendment. I think it clarifies the issue a little bit better and I hope will clean up the bill quite a bit.

SPEAKER NICHOL: Senator Howard Lamb.

SENATOR LAMB: Mr. President, members, I have some questions of Senator Rod Johnson, please.

SPEAKER NICHOL: Senator Rod Johnson, would you respond, please.

SENATOR LAMB: Is this amendment printed in the Journal?
