inadvertently be mill levy or tax dollar increases resulting simply from the revaluation process. I believe the amendment is technically correct. I know that my staff spent quite a bit of time working with people who are very knowledgeable in this area to obtain a result which Senator Abboud and others wanted and to make certain we would have a good mechanical process. SPEAKER NICHOL: The question is the adoption of the committee amendments. All those in favor vote aye, opposed nay. Have you all voted? Senator Vard Johnson.

SENATOR V. JOHNSON: I guess we must have quite a few folk off of the floor. It is a shame. Because of that, however, I will ask for a call of the house.

SPEAKER NICHOL: The question is, shall the house go under call? All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 11 ayes, 0 nays to go under call.

SPEAKER NICHOL: The house is under call. Will you please return to your desks and record your presence. Those not in the Chamber, please return to your desk and record your presence so that we may move on. We will take one more bill after this and call it a day. Senator Vard Johnson has authorized call in votes. We are voting on the adoption of the committee amendments, incidentally, for those of you who came in late.

CLERK: Senator DeCamp voting yes. Senator Landis voting yes. Senator Hefner voting yes. Senator Lundy voting yes. Senator Haberman voting yes. Senator Beyer voting yes. Senator Rogers voting yes.

SPEAKER NICHOL: Record, Mr. Clerk, please.

CLERK: 25 ayes, 5 nays, Mr. President, on adoption of the committee amendments.

SPEAKER NICHOL: Okay, the committee amendments have been adopted. Do you have any other amendments, Mr. Clerk?

CLERK: Nothing further on the bill, Mr. President.
