

video slots are okay and enforce that decision in federal court. The only limitation would be federal law. The Winnebagoes currently have video slots in Iowa. The resolution says that the Legislature, on the condition of those things in the WHEREASES paragraph, on the condition of those things in the WHEREASES paragraph, grants retrocession. I feel that it is imperative that each of us understands that at least the gambling paragraphs say nothing and bind no one. I believe we should strike the paragraphs as meaningless and vote on LR 57 knowing full well that after retrocession the tribe can and probably will do whatever it pleases in the area of gambling and can expect their courts, and can expect their courts to enforce those decisions. Thank you, Mr. Speaker.

SENATOR HANNIBAL: Thank you, Senator Goll. Senator Goll was closing on his amendment to Senator Pappas's amendment to LR 57. All those in favor vote aye, oppose to the amendment vote nay. Please record your vote. Have you all voted? Senator Goll.

SENATOR GOLL: Recognizing that we're under call, I still would like to have the roll called. Would you do that, please, Mr. Speaker.

SENATOR HANNIBAL: A roll call vote has been requested. The Clerk will call the roll.

CLERK: (Roll call vote taken as found on page 354 of the Legislative Journal.) 23 ayes, 21 nays, Mr. President.

SENATOR HANNIBAL: The amendment is defeated. Are there further amendments pending?

CLERK: I have nothing further on the resolution, Mr. President.

SENATOR HANNIBAL: We are back to the Pappas amendment. Excuse me, we are back to the resolution as amended and the call is raised. The first senator that's up for speaking is Senator Remmers.

SENATOR REMMERS: Mr. President, members of the Legislature, I rise to oppose the resolution for retrocession. I'm not sure that retrocession would change an awful lot of things right now one way or the other, but I oppose it...two
