

a water carrier today, how are those hypocrites who pretend to be so concerned about safety in the Department of Motor Vehicles going to bring something like this? It has nothing to do with safety, but they know they can reach some money. Why should they be given \$25 to have you reinstate your license? Because they want the money. It's another hidden tax without being called a tax.

SPEAKER NICHOL: One minute.

SENATOR CHAMBERS: If these kind of laws continue to be imposed, you tack something onto the fee to get a drivers license. You suspend people's license for things they have no reason to believe their license will be suspended for, then charge them to have it reinstated, then have the nerve to say, you're opposed to a lottery because that is not the proper way a state should fund government. The better way I guess is to be tricky and underhanded, sneak up on the people and trap them when they're not watching. Citizens should be watchful of their government, but they should not have to be watchful of their government because their government routinely tricks them.

SPEAKER NICHOL: Senator Hall, and then Senator Hoagland.

SENATOR HALL: Mr. President, members, I have a question of Senator Johnson if he would yield.

SPEAKER NICHOL: Senator Vard Johnson, please.

SENATOR V. JOHNSON: Yes.

SENATOR HALL: Senator Johnson, in the fiscal note on LB 153 there is an item in there that...of about \$132,998 that would require ten additional full-time employees. Is that accurate?

SENATOR V. JOHNSON: I don't prepare the fiscal notes. I'm going to assume that it is accurate. Yep, I'll make the assumption.

SENATOR HALL: Is that a lot of money, a lot of employees to provide this service?

SENATOR V. JOHNSON: Well, considering...Senator Hall, that's not for me to judge really. There are 40,000
