SENATOR LANDIS: Mr. Speaker, members of the Legislature, I get ready to close the debate on 548 and send it on its way. I do want to make, just for the purpose of the record, to make clear that the use of the word officer in respect to the application of the rule on there not being a conflict of interest when somebody is simply an employee of a business, the use of the term officer includes the previously used...was meant to include the previously used officer or the parent, spouse or child of the officer as well. With that statement, for the record of intent, I would like to move for the advancement of LB 548 to E & R for Engraving.
