

SENATOR HALL: Are they going to be?

SENATOR HANNIBAL: If you wish, we can do that.

SENATOR HALL: Could we? I would appreciate that before we vote on anything.

SENATOR HANNIBAL: You mean, Senator Hall, you don't trust me.

SENATOR HALL: No, Senator, I would never say that about Gary Hannibal. I would just be interested in looking at the 25-page technical amendment prior to voting on it.

SENATOR HANNIBAL: There is a copy up on the desk, at the Clerk's desk. It is a large amendment and because it is a technical amendment, if you would check your bill book, Senator Hall, LB 35, in your bill book, you will find the exact same language in there and we didn't want to spend the taxpayers' dollars to print something that was technical.

SENATOR HALL: Thank you, Senator Hannibal.

PRESIDENT: Is there further discussion on the Hannibal amendment? Further discussion? All those in favor of the Hannibal amendment vote aye, opposed vote nay. We are voting on the Hannibal amendment to LB 599. Please record your vote. The motion before the house is the adoption of an amendment by Senator Hannibal to LB 599. Please record your vote so we may move on. Have you all voted? Record the vote, Mr. Clerk.

CLERK: 25 ayes, 0 nays, Mr. President, on the motion to adopt the amendment.

PRESIDENT: The amendment is adopted. What else do you have on the bill?

CLERK: I have nothing further on the bill, Mr. President.

PRESIDENT: Senator Hall.

SENATOR HALL: I move that LB 599 be advanced to E & R for Engrossing.
