

land will go to somebody but nobody knows for sure who. I think it needs a lot of work and if you are really conscientious about what is right and if you want it to work, let's force it to be enforced. I like the idea of Senator Conway about the resolution he just introduced asking that this, hopefully if it can be successful, a reconsideration can be successful, consider his resolution to bracket this until after whenever it is, Jerry, April 1st or March 1st, after which time some sound and sensible heads can get together and take a look at the nonsense that is in this constitutional provision...

PRESIDENT: One minute.

SENATOR LYNCH: ...and try to make it work. I am convinced that farmers are going to be down the tube, in fact, if it continues to exist in its present form and it should be changed. It is interesting that we have done this before. Senator Chambers argued, of course, that we shouldn't mess around with it, but three times the City of Omaha voters said they should, then didn't want to elect city councilmen by district but largely to his efforts and, by the way, I agreed with it, I voted every...all of those three times that the City Council should be elected by district. We overrode the decision and the will of the people. I think it is up to us in good conscience to do what we think is right and I think...

PRESIDENT: Twenty seconds.

SENATOR LYNCH: ...this is wrong and I would encourage you so we can consider Jerry's amendment to bracket this and develop a study committee that you vote in favor of reconsideration. Thank you very much.

PRESIDENT: Thank you, Senator Lynch. A call of the house has been requested. All those in favor of the house coming under call vote aye, opposed vote nay. Record the vote, Mr. Clerk.

CLERK: 23 ayes, 1 nay to go under call, Mr. President.

PRESIDENT: The motion carries and the house is under call. All members in the Legislative Chamber look up to the front board and see that your green presence light is on, please. Members sitting in your chairs, which is proper for you to
