

are certainly not going to get settled, nor can we ask the Attorney General to be able to issue opinions on some of these very difficult things, for example, the makeup of various corporations and so on, many things being read into this that I see as really not the intention of the people or when it was passed. But all I've got to say...some of us that I suppose you'll say I'm a very strong opponent on one side or the other. If there are any problems I'm here to address them. But I will guarantee you, if this committee is not an impartial or does not do their work very well, the sentiment out in my area is you haven't even seen anything yet if this is not a very good and an honest working committee.

PRESIDENT: Senator Beutler, do you have another...okay. Senator DeCamp.

SENATOR DECAMP: Question.

PRESIDENT: Thank you. I have no other lights. I'll accept you to close, Senator, or...Senator Conway, do you wish to share in the closing?

SENATOR CONWAY: Mr. Speaker, members of the body, since LR 335 was originally my resolution, I will...

PRESIDENT: (Gavel.) Order in the Chamber, please. Go ahead, Senator.

SENATOR CONWAY: ...support the closing as it's been amended. I think that the individuals that have been chosen do represent a very cross-cutting of the issue. They range from an advocantium run through...from Senator DeCamp and Senator Nichol and myself and Senator Scofield being pretty much in the middle row relative to not taking a strong position on repeal and/or keeping it the way that it is. So I think there is a nice cross-cut of the individuals. I would just simply urge the advancement now of the resolutions as they've been amended.

PRESIDENT: Thank you. Motion is to adopt the resolution, LR 335. All those in favor vote aye, opposed vote nay. We are now voting on the motion to adopt LR 335 which has been under discussion. Please record your vote, aye or nay. Have you all voted? Have you all voted on the motion to adopt the resolution? Have you all voted? Record the vote,
