SENATOR VICKERS: I'll proceed.

PRESIDENT: Members of the Legislature, the Chair recognizes Senator Vickers to close on an amendment to 437. Senator Vickers.

SENATOR VICKERS: Thank you, Mr. President. Mr. President, members, many of you have probably not been following this discussion very closely because you have not been in the Chamber. Let me refresh your memory a little bit about what LB 437 is all about. Under the current law, the current law is that a vehicle following another vehicle should not follow more closely than is reasonable and prudent, the old 2 second rule that we are all familiar with. There is also a section of current law that applies to motor vehicles drawing another vehicle. It says that they should leave sufficient space so that an overtaking vehicle may enter and occupy such space. Now there has been...also this bill sets up some of the new language in the bill, sets up another
