LB 1008, 1054

nothing to alter or change anything the department is doing right now and so I would move the advancement of LB 1008.

SENATOR CARSTEN: The motion is to advance LB 1008 as amended. All those in favor vote aye, those opposed vote no. Record, Mr. Clerk.

CLERK: 28 ayes, 0 nays, Mr. President, on the advancement of the bill.

SENATOR CARSTEN: The bill is advanced as amended. Now, LB 1054.

CLERK: 1054, Mr. President, was a bill introduced by Senator Lamb. (Title read.) Introduced on January 16, referred to Judiciary, advanced to General File. There are committee amendments.

SENATOR CARSTEN: Senator Hoagland, I understand you're going to take the bill for Senator Lamb as well as the amendments. Is that correct?

SENATOR HOAGLAND: That is correct, Senator Carsten.

SENATOR CARSTEN: Okay, on the committee amendments then, Senator Hoagland.

SENATOR HOAGLAND: Colleagues, you will recall that we debated this same issue a couple of days ago on LB 529. It's an important bill brought to us by Senator Lamb which allows in counties of under 35,000 the judge to assign a probation officer to handle a client that the county attorney has diverted to pretrial diversion. The committee amendments refines the concept, makes it work better. You will recall earlier that we objected to it on LB 529 because of the fiscal note. Since then Senator Lamb and I have had a meeting and I think we have solved the fiscal note problem so this can be done at no additional cost to the state. We will present a joint amendment on Select File to that effect. In any event, at this time I'd ask the adoption of the committee amendment and then the advancement of the bill. Thank you.

SENATOR CARSTEN: The motion is the adoption of the committee amendments. All those in favor vote aye, those opposed no. Record, Mr. Clerk.
