

is a great pleasure for me to send congratulations to the Henderson Huskies who have...kind of have a history of winning. I'm real proud because we had three schools in my district, or four schools that were in the running, and two of them now have won the tournaments, and Henderson is one of them. I do want to send my congratulations to them and hope the body here sends it as well. Thank you.

PRESIDENT: Any discussion on LR 371? If not, the motion is to adopt the resolution as explained by Senator Sieck. All those in favor vote aye, opposed vote nay. Please record your vote on LR 371. Have you all voted? Record the vote, Mr. Clerk.

CLERK: 30 ayes, 0 nays, Mr. President, on adoption of the resolution.

PRESIDENT: The resolution is adopted. Next is LR 372.

CLERK: Mr. President, 372, by Senator DeCamp, is found on page 1470.

PRESIDENT: The Chair recognizes Senator DeCamp. I'm sorry, Senator.

SENATOR DECAMP: That's okay.

PRESIDENT: I'm so intrigued by the mechanical difficulty here. Go ahead, Senator.

SENATOR DECAMP: Mr. President and members, this is Clear Water, I think, isn't it? Is this Clear Water, Pat? Yes, Clear Water is a town in my district. And Clear Water has the distinction of having won the tournament in their particular class three years in a row, which as I understand ties the record. So next year, when they win, they will have set a new record. And I, by the same standard, should I win, will also have surprised myself somewhat, too. So I ask you to vote for Clear Water and them to vote for me.

PRESIDENT: Is there discussion to follow the eloquent statement of Senator DeCamp about Clear Water? If not, the motion is to adopt the resolution. All those in favor vote aye, opposed vote nay. Have you all voted? Record the vote, Mr. Clerk.
