

SENATOR NELSON: Correct, what the crew would be operating under.

SENATOR SMITH: So there is no room for the total crew to ride in the compartment together that presently the other members ride in as part of the train? They have to ride in this compartment behind?

SENATOR NELSON: Yes, I think there are three seats, if I am not mistaken on that. And since they have to be gone 24 to 48 hours they do carry their own luggage and so on and, no, there is not room.

SENATOR SMITH: Okay, thank you.

SPEAKER NICHOL: Senator Nelson, would you like to close on your motion.

SENATOR NELSON: Certainly. Just a very simple amendment. If the cabooses, and I don't know, are removed, it is something that is in other states. It is just a condition that I think we should consider.

SPEAKER NICHOL: Thank you. The question is the adoption of the second Nelson amendment. All those in favor vote aye, opposed nay. Have you all voted? Record, Mr. Clerk, please.

CLERK: 7 ayes, 15 nays, Mr. President, on adoption of the amendment.

SPEAKER NICHOL: The motion fails. Anything else on it, Mr. Clerk?

CLERK: I have nothing further on the bill, Mr. President.

SPEAKER NICHOL: We are back on the bill. Senator Hannibal. Pardon me? Well, we are on the bill or the advancement of the bill. You don't have to talk if you don't want to.

SENATOR HANNIBAL: Am I closing?

SPEAKER NICHOL: No, we're just starting on the advancement of the bill.

SENATOR HANNIBAL: I'll wait.
