LB 318, 835, 960, 999

CLERK: Mr. President, if I might right before that, Senator Abboud would like to add his name to 318 as co-introducer. I have a Reference Report...I am sorry, I have a report from the Executive Board regarding the deadline for the submission of interim study resolutions by the Standing Committees which was adopted yesterday and filed and you will find it in your Journal.

And, Mr. President, Senator DeCamp has amendments to 835 to be printed; Senator Schmit has amendments to 999 to be printed. (See pages 1589-92 of the Legislative Journal.)

Mr. President, LB 960 was a bill that was introduced by Senator Hartnett. (Read title.) The bill was introduced on January 13 of this year. It was referred to the Miscellaneous Subjects Committee. The bill was advanced to General File. There are committee amendments pending by the Miscellaneous Subjects Committee, Mr. President.

SPEAKER NICHOL: Senator Hefner on the committee amendments please.

SENATOR HEFNER: Mr. President and members of the body, the committee, the Miscellaneous Subjects Committee held a hearing on this and voted to add the emergency clause to this bill and so, therefore, I would ask the body to vote for the emergency clause on the bill. We felt that we needed it so that is about all I have to say about it.

SPEAKER NICHOL: Senator Hartnett, did you wish to speak about this?

SENATOR HARTNETT: Mr. Speakers, members of the body, I simply want to second what Senator Hefner said is to put an emergency clause because I think the Secretary of State, Allen Beermann, needs this for the elections coming up this spring and in the fall. So simply urge you to adopt the committee amendments. Thank you.

SPEAKER NICHOL: We are voting on the adoption of the committee amendments. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 25 ayes, 0 nays, Mr. President, on adoption of committee amendments.
