

SPEAKER NICHOL: One minute.

SENATOR CHAMBERS: Right at present I am angry because this leader uses Rachael's name and refers to my daughter in an untruth." This situation becomes uglier and uglier. There is one family having a dispute. The grandma has been allowed to visit the child ever since she has moved to Oklahoma so she is using the Legislature in the way the courts will be used as a bludgeon to show that she can get even, that she can use the government to do this. I think it is a mistake and I am hoping that you will not vote to advance this bill. But, as I told Senator Hoagland earlier, I have no more amendments but I think it is a terrible bill and it ought not to be advanced.

SPEAKER NICHOL: The question is the advancement of the bill. All those in favor say aye. Okay, machine vote has been asked for and a record vote. All those in favor vote aye, opposed nay. And a record vote has been requested. Senator Lowell Johnson.

SENATOR L. JOHNSON: Mr. President, it looks like we should have a call of the house.

SPEAKER NICHOL: The question is, shall the house go under call? All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.
