

isn't true. As a matter of fact, over a period of time if you sit and work with budgets, you will see individual agencies reallocating funds constantly in order to create greater efficiency, to reduce cost, to avoid adding more people to do a job by reassigning positions, that it is a normal good management practice. Whether or not the specific change that Senator Schmit is referring to is a good or bad one, I can't comment on because I don't know the details, but in the letter at least that he just showed me, it would indicate that the reasons for doing it was, in fact, the kind of thing that we harp on agencies to do all the time in finding ways to provide more efficiently the cost to the taxpayer for the services that agency provides. Now this is far and apart from what the bill that we are dealing with, so I would move the bill be advanced. It establishes the general purpose Cash Fund which is needed by the agency in order to expend the funds that they are authorized to collect under legislation previously enacted.

SPEAKER NICHOL: The question is the advancement of the bill. All in favor vote aye, opposed nay. Voting on the advancement of the bill. Senator Vickers, Senator Lynch, could you help us out. We need to advance the bill, please. Thank you. Record, Mr. Clerk, please.

CLERK: 26 ayes, 0 nays, Mr. President, on the motion to advance the bill.

SPEAKER NICHOL: LB 1190 advances. LB 1080.

CLERK: Mr. President, LB 1080 offered by the Appropriations Committee and signed by its members. (Read title.) The bill was read on January 17, referred to Appropriations, advanced to General File. I have no amendments on the bill.

SPEAKER NICHOL: Senator Warner, please.

SENATOR WARNER: Mr. President, LB 1080 repeals a provision in the statutes regarding what was referred to as 895 grant review process which dealt primarily with federal funds. This is another review that we had by practice, at least, for a number of years was in effect...it was at a time when you had a variety of numerous federal grants, in particular, that were being applied for. There was concern of two or three things, that various agencies were coordinated in the grants that were being sought so that you didn't have multiple or overlapping purposes being included, so part of that practice, we used to hold
