

adopting this amendment and particularly if it will allow us to pass this bill which will give some additional protection to those working along the side of the roads. I plan on voting in favor of the amendment.

SPEAKER NICHOL: Senator Pappas.

SENATOR PAPPAS: Yes, Mr. Speaker, colleagues, could I ask Senator Withem a couple of questions?

SENATOR WITHEM: You certainly may ask me some questions.

SENATOR PAPPAS: Now, we...I think this bill has been around for a year or two and there has been a tremendous amount of floor debate and rhetoric and different attempts to a-end it and stuff. Will this be the final time or what is your intent? Are you going to try to bring it back again?

SENATOR WITHEM: My intent, Senator Pappas, is not to bring this bill back for more amendments. You may wish to speak though to Senator Vickers or someone else.

SENATOR PAPPAS: Okay, I just wanted to ask you because you have been mainly the main carrier of this and I have seen you return bills before for different reasons and time and time again, I thought I just want to get a clear intent of your intentions.

SENATOR WITHEM: Thank you for asking, Senator Pappas.

SENATOR PAPPAS: That's all.

SPEAKER NICHOL: Senator Goll.

SENATOR GOLL: I have a question...Mr. Speaker and colleagues, I have a question for Senator Chambers because I detect an error in the Journal and perhaps it won't make any difference, but in the Journal it says, "on page 2, line 16", and in the Final Reading copy it is "page 2, line 17". Now, will that make any difference? I am surprised, Senator Chambers, there is an error over it a little bit.

SENATOR CHAMBERS: Let me look at that and see if...make sure we're talking about the same thing.

SPEAKER NICHOL: Senator Chambers, would you like to close, or answer, or something?
