CLERK: 26 ayes, 0 nays, Mr. President, on the motion to return the bill.

PRESIDENT: The motion carried. The bill is on Select File. Now, Senator Scofield, you may formally offer your amendment.

SENATOR SCOFIELD: Thank you, Mr. President. I think I've pretty much explained the need for this. Let me just reiterate. This simply makes...it's a drafting error and we failed to put the right month in here so that this truly is cash funded and by changing the date, that takes care of the cash funding requirement. With that, I would ask your adoption of the amendment.

PRESIDENT: Is there discussion on the amendment? If not, the motion is to adopt the amendment that has been explained. All those in favor vote aye, opposed vote nay. We are now voting on the Scofield amendment to LB 579 which is on Select File for this purpose. Please record your vote. I believe we need the assistance of all members on the floor to register your vote aye or nay on the motion to adopt the specific amendment offered by Senator Scofield. Please record your vote. May we have your cooperation, please. Thank you. Record the vote, Mr. Clerk.
