LB 817

CLERK: Mr. President, in that case Senator Vard Johnson had an amendment to the bill. Senator Vard Johnson has been excused, Mr. President.

SPEAKER NICHOL: Anybody authorized to handle Senator Vard Johnson's amendment? Anything else on the bill? Senator Landis, are you going to handle that?

CLERK: It's 1221 in the Journal, Senator.

SENATOR LANDIS: Thank you. Mr. Speaker, this is brought to us by the Revenue Department. It has to do with some technical language to incorporate the terms of the bill with existing law. It strikes some language that is rendered unnecessary, and that language has to do with the final payment of a contract price when there has been an appraisal by the Tax Commissioner. I would move for the adoption of the amendment.

SPEAKER NICHOL: Any further discussion on the amendment? Senator Haberman, please.

SENATOR HABERMAN: Senator Landis, does the amendment change any way the summary of purpose or changes on the sheet, committee statement sheet?

SENATOR LANDIS: No, it does not.

SENATOR HABERMAN: Thank you.

SPEAKER NICHOL: Okay. The question is the adoption of the amendment. All those in favor vote aye, opposed nay. Please vote promptly, if you care to vote.

SENATOR LANDIS: You know, Mr. Speaker,...

SPEAKER NICHOL: Yes, Senator Landis, I was thinking the same thing.

SENATOR LANDIS: ...it's Friday afternoon and some times it is hard for people to get motivated quickly enough to get back to their buttons. My prompt...

SPEAKER NICHOL: You are a smooth talker. Record, Mr. Clerk.

CLERK: 27 ayes, 0 nays, Mr. President, on adoption of Senator Landis's amendment.
