LB 1255

amendment.

SPEAKER NICHOL: The Barrett amendment is adopted.

CLERK: Mr. President, Senator Pappas would move to amend. (Pappas amendment appears on page 2100 of the Legislative Journal.)

SPEAKER NICHOL: Senator Pappas, please.

SENATOR PAPPAS: Mr. Speaker, colleagues, you've seen a handout that I've sent out. Pat Flynn from North Platte, he mailed in to receive his claim from North Platte on March 22, unfortunately just addressed to the State Capitol. It was opened and shuttled around different places. And, because it did not reach the right place at the right time, he was not on the original...he did not receive his payment. This is only for \$123. I'd ask for the adoption of the amendment.

SPEAKER NICHOL: Any further discussion on the \$123 amendment? Did you say what it was for, sir?

SENATOR PAPPAS: National Armory Guard bonus, National Guards, the armory bonus when they go work and stuff like that.

SPEAKER NICHOL: Thank you. Senator Vard Johnson.

SENATOR V. JOHNSON: Mr. Speaker, members of the Legislature, for the record, since I walked in I noticed we were doing the claims bill, I want to make a disclosure and will not vote on this bill. One of these claims is claim number 141 against the Department of Education payable to a Richard McGowan. It says Robert Broom is the attorney of record. The claim is \$6,500 to the individual. Robert Broom is my law partner. I think I would have a conflict of interest if I voted on this bill and will not so vote.

SPEAKER NICHOL: You didn't wish to speak on the Pappas amendment?

SENATOR V. JOHNSON: No, no, I just...

SPEAKER NICHOL: Thank you. The question is the adoption of the Pappas amendment. All those in favor vote aye, opposed nay. Have you all voted on the adoption of the Pappas amendment? Please vote if you care to. Record, Mr. Clerk, please.
