

reason in the world not to adopt this amendment. The amendment is beneficial to the central filing system. The issue is raised independently by Senator Chambers, well, if you adopt the amendment, that means the bill will be available so someone might use it to attempt Senator Rod Johnson's amendment again. By that standard of reasoning, you would have to kill every bill in here because somebody might potentially use it for something. For example, rather than killing LR 16 the other day, we agreed to bracket it. I agreed not to use it for Initiative 300 but my good friend, Senator Lundy, I think probably has a pretty uniform agreement in here that he has another purpose that it can be used for. So if you take the attitude that potential bills can be potentially amended, then you are using a wrong basis for wanting to kill bills or not adopt amendments. I ask you to adopt the amendment.

SENATOR CARSTEN: The question is, shall the DeCamp amendment be adopted? All those in favor will vote aye, those opposed will vote no. We will give you 30 seconds to vote. You should all be in your seats. We have not raised the call and we are on Final Reading. Fifteen seconds have passed. Have you all voted? Record the vote, Mr. Clerk. Senator DeCamp.

SENATOR DECAMP: Right now, are we technically under call?

SENATOR CARSTEN: Yes, it has never been raised.

SENATOR DECAMP: Okay, well, I would ask for a check in or whatever you call it and we will (interruption).

SENATOR CARSTEN: Will everybody please register your presence, please. Push your green button, please. Senator Smith, Senator Scofield, Senator Beyer, Senator Vickers. Four excused. Senator Landis, Senator Haberman, Senator Eret, Senator Rogers. Senator Rogers. Senator Rogers, please. Senator Rogers, I believe is the only one that is...we have four excused, Senator DeCamp. We will take call ins. We are all here but one, I believe, that is not excused. Senator Chambers, for what purpose?

SENATOR CHAMBERS: Mr. Chairman, I think you told the Clerk to record so I don't believe call ins are appropriate now.

SENATOR CARSTEN: Okay, roll call has been requested. The Clerk will call the roll on the DeCamp amendment to LB 603. Mr. Clerk.
