Please record your vote on the motion to return the bill to Select File for a specific amendment. Please give us your attention on the motion before the house. We need your assertion on this motion, aye or nay. Have you all voted. Record the vote.

CLERK: 25 ayes, 0 nays on the motion to return the bill, Mr. President.

PRESIDENT: The motion carried. We are on Select File. Senator Johnson.

SENATOR V. JOHNSON: Mr. Speaker, members of the Legislature, a couple of members have asked me what LB 201 even is. This is the high-risk maternal, infant health care bill that was held last year on Final Reading and it has a small appropriation in it but, of course, the appropriation was set for last year. Inasmuch as we are now in this year, I am simply amending the bill to change the years, also to reflect the salary increase that has been approved with the salary increase bill, so those are the numbers changed. That is it.

PRESIDENT: Is there discussion on the motion to add an amendment? Senator Goodrich.

SENATOR GOODRICH: Senator Johnson, would you yield to a question.

SENATOR V. JOHNSON: Yes.
