LB 967, 1259

favor vote aye, opposed vote nay. You are voting on an amendment offered by Senator Scofield to 967. Please record your vote. Record the vote, Mr. Clerk.

CLERK: 26 ayes, 0 nays, Mr. President, on the adoption of Senator Scofield's amendment.

PRESIDENT: The amendment is adopted. Senator Scofield, do you wish to readvance.

SENATOR SCOFIELD: I move to readvance.

PRESIDENT: The motion is to readvance the bill. All those in favor say aye. Opposed no. Motion carried. LB 967 goes to Final E & R. LB 1259 with the emergency clause.

CLERK: Mr. President, 1259, I have a motion from Senator Vickers to return the bill for specific amendment.

PRESIDENT: Senator Vickers.

SENATOR VICKERS: Well, Mr. President, and members, the amendment that I offered to 1259 would simply put in a mechanism whereby instead of having three names on the check for one of the claims against the state that was heard by the Education Committee, and then recommendation handed on to the Appropriations Committee, there is some legal problems with those three names. So the amendment that I would offer would simply have on the check that the check would be made payable to the Clerk of the Federal District Court and, quite frankly, let the judge figure out exactly who and how those monies should be distributed. So I would offer the amendment and urge its adoption. I would move to return the bill to Select File.

PRESIDENT: The motion is to return the bill. Do you wish to speak on that, Senator DeCamp?

SENATOR DECAMP: Mr. President, simply to say that if this bill is amended and advanced, which I assume it will be, I then intend to make a motion to recess for an hour and a half. It is my understanding in talking to them that they need a minimum of an hour and half, and we are pushing it right close to the line, so that is what I intend to do after this bill is advanced.

PRESIDENT: Thank you. Senator Abboud, do you wish to speak on the motion to return? Senator Schmit, do you wish to speak?
