LB 31-34  
LR 3, 4, 5

amendment to Article VIII, Section 13 of the Nebraska Constitution. That, too, will be referred to the Reference Committee, Mr. President. (See page 30 of the Legislative Journal.)

New resolution, LR 3, by Senator Pappas. (Read resolution as found on pages 30-31 of the Legislative Journal.) That will be laid over, Mr. President.

SPEAKER NICHOL: Senator Warner, we'll be going at ease here for a moment, so if your committee wants to go into session that is fine. Senator Beutler, you keep in contact with your members at such time as you would like to have their Reference Committee meeting. We'll be at ease now until you are called back on your public address system. It is not necessary for us to have a quorum when we adjourn, but if you are within the range of your speaker system and would return when you are called, it would be appreciated. Once again, if you have a bill that you wish to get in, please put them in. As soon as Senator Vard Johnson's long bill is in, we'll adjourn at that time. So if you have a bill cooking, please let the Clerk know so that we don't adjourn without your bill getting in. With that, we'll be recessed from now until you are called back. We'll stand at ease. Thank you.

EASE
