

SPEAKER NICHOL: Now, how about the third one that she mentioned?

SENATOR WARNER: Which one was that?

SPEAKER NICHOL: That had to do with ADC payments as I recall.

SENATOR NELSON: All right, yes.

SENATOR WARNER: That is separate, but as a matter of fact, there is nothing that affects that in the budget, in the amendment.

SENATOR NELSON: And I think we passed that law by statute last year, an increase, ADC to the unborn and there is nothing we can do about that fund right now. Am I correct?

SENATOR WARNER: That's one that could not be touched without a statute change.

SENATOR NELSON: So we need to introduce a bill next session. Correct?

SENATOR WARNER: Well, if you wanted to change it, yes.

SENATOR NELSON: Or, if possible, this session? All right. And my next one was the firemen's fund. If you know anything about that, under the Department of Education. I see one thing in there, firemen's...

SENATOR WARNER: That is pulled out. All of the Department of Education will be dealt with as a separate amendment and then you could discuss...

SENATOR NELSON: Later.

SENATOR WARNER: ...a particular issue.

SENATOR NELSON: Thanks a lot, Senator Warner.

SPEAKER NICHOL: Thank you, Senator Nelson. Any other discussion on the motion? If not, the question is the adoption of the Warner amendment which adopted all the sections with the exceptions of those stated by Senator Warner. All those in favor vote aye, opposed nay. Record,
