

amendment or not, but I don't believe that. I think that the departments have to follow what the budget bill says and I think the budget bill is going to say we're not going to implement 994 and I'm not going to stand here and let that happen. I think this part of it needs to be implemented and I think this Legislature needs to say so. Mr. President, I don't know how much time I have left, but I'd like to stop right here.

SPEAKER NICHOL: You have two minutes.

SENATOR VICKERS: Save that two minutes and I want a call of the house. I look around here and, hell, there is nobody here. You know, if I'm going to have to spend my time down here this fall, I'd like to see the other members, my colleagues, have to spend their time here too.

SPEAKER NICHOL: Well, you still have two minutes.

SENATOR VICKERS: I want to save those two minutes and ask for a call of the house right now. Can I do that and have two minutes when I get them back in?

SPEAKER NICHOL: Well, the call of the house doesn't count against your two minutes.

SENATOR VICKERS: That's what I am asking for.

SPEAKER NICHOL: No. Yes, you have your two minutes and then you can have a call of the house.

SENATOR VICKERS: No, but can I have a call of the house right now and then have my two minutes after I get them in?

SPEAKER NICHOL: Yes.

SENATOR VICKERS: Okay.

SPEAKER NICHOL: One time.

SENATOR VICKERS: Okay. Ask for a call of the house.

SPEAKER NICHOL: The question is, shall the house go under call? All those in favor vote aye, opposed nay. Record, Mr. Clerk.
