

article that indicated that the Central Community College President, Joe Preusser, had gotten his board to agree to use \$10,000 of their \$75,000 reserve fund to fund this effort within their area. So they are willing to reallocate funds they have already gotten and they are not going to come to you for more dollars for it. Again, I commend those people for that effort and would ask this body to adopt this resolution thanking these people for this endeavor. Thank you, Mr. President.

SPEAKER NICHOL: Senator Marsh, please.

SENATOR MARSH: Mr. Speaker and members of the Legislature, as one of the urban senators, I rise to give my full support to LR 6. This is an issue which affects every one of us in the State of Nebraska. I am pleased to be able to give it my support.

SPEAKER NICHOL: The question is the adoption of LR 6. All those in favor vote aye, opposed nay. Record, Mr. Clerk.

CLERK: 29 ayes, 0 nays on adoption of the resolution, Mr. President.

SPEAKER NICHOL: The resolution is adopted. Before we continue with LR 7 if I could have your attention just a moment because you may wish to know, I am sure you all know that we are off tomorrow, Friday. However, the following weekend which is November 8, 9, 10, and 11, we will be off. That is Friday, Saturday, Sunday, Monday, a week from now. As you all know, the 11th is a holiday so we are going to have a four-day weekend next weekend, the 8th, 9th, 10th and 11th, so that you may plan. And we are off tomorrow. Today we should continue with the agenda. I think there shouldn't be any problem about getting through with the agenda today and at the end of the agenda that should be the end of the week. Senator Hefner.

SENATOR HEFNER: Mr. President, are we going to take Thanksgiving off?

SPEAKER NICHOL: Well, we are thinking that we probably will.

SENATOR HEFNER: Thank you.
