

File. There will be an amendment offered and deal with this issue at that time, but I am agreeing to withdraw those amendments at this point.

SENATOR BEUTLER: Okay. There are no further lights on. Senator Hannibal, did you want to close? Closing has been waived. The motion before you is the adoption of Section 47 of the committee amendments dealing with Economic Development. All those in favor vote aye, opposed nay. Anybody else that wishes to vote? Record, Mr. Clerk.

CLERK: 28 ayes, 6 nays, Mr. President, on adoption of that section of the committee amendments.

SENATOR BEUTLER: Section 47 is adopted. We will now move to the last section of the committee amendments to be considered, Section 60 dealing with Lied Center. Senator Warner. Senator Warner, would you care to address Section 60 of the committee amendments?

SENATOR WARNER: Yes, I would move adoption. What the committee amendment does, it deletes a current appropriation for a boiler at the Regional Center. It is one that they thought needed to be replaced during the session and now it is not needed now and so that is just an elimination of the appropriation for that particular boiler because it wasn't needed. That is the committee amendment.

SENATOR BEUTLER: Seeing no further lights, I assume, Senator Warner, that you are waiving closing. I assume, Senator Warner, you are waiving closing. Okay, the motion before you then is the adoption of Section 60 of the committee amendments dealing with construction projects. All those in favor vote aye, opposed nay. Is there anybody else that cares to vote? Record, Mr. Clerk.

CLERK: 32 ayes, 2 nays, Mr. President, on adoption of that portion of the committee amendments.

SENATOR BEUTLER: Section 60 of the committee amendments has been adopted. It is my understanding, Mr. Clerk, that we have now adopted all of the committee amendments. Is that correct?

CLERK: Yes, sir, that is correct.
