Judiciary Committee would like to meet immediately under the south balcony following adjournment today.

Committee on Public Works has a public hearing scheduled on Thursday, November 7th for Babette Prostok and John McLellan to the State Highway Commission. That is all I have.

SENATOR BEUTLER: Senator Nelson.

SENATOR NELSON: Mr. Speaker, members of the body, I move that we adjourn until October 4th, Monday, at 9:00 a.m. Excuse me, November 4th. Sorry.

SENATOR BEUTLER: Okay, you have heard the motion. All those in favor say aye. Opposed. We stand adjourned.
