

doesn't exist as it applies to these local alternative programs and how they fit. Unfortunately, state institutions has been used as a dumping ground, unfortunately, by some parents who can't cope and by some local areas who won't provide the funds to support the local programs. The net result is that everybody loses. You have a bigger institution program than you need and people who need services at the local level are suffering from it. So I would support Senator Sieck in his effort, knowing it is probably futile and hope that it is returned to Select File for this amendment.

SPEAKER NICHOL: Senator Sieck, would you like to close on your motion to return?

SENATOR SIECK: I don't think I need to close if there is no opposition. I will ask it to be returned and vote with a roll call vote.

SPEAKER NICHOL: Okay, you asked for a roll call vote. The question is the return of the bill for a specific amendment. All those in favor vote aye, opposed nay. Roll call vote has been asked for. I'm sorry, Senator Sieck, you did say that. Okay, the question is the return of the bill for a specific amendment. Mr. Clerk.

CLERK: Senator Abboud...

SPEAKER NICHOL: You want a call of the house? All right, the question is, shall the house go under call? All those in favor vote aye, opposed nay. Record, Mr. Clerk.

CLERK: 17 ayes, 0 nays to go under call.

SPEAKER NICHOL: Okay, the house is under call. Please record your presence if you are here. If not, please return to the Legislative Chamber and record your presence. Please record your presence. Several of you are here and have not recorded your presence. Senator Hefner, Senator Chambers, Senator Labedz, Senator Dick Peterson, Senator Pappas, Senator Wesely. Looking for Senator Labedz and Senator Dick Peterson. Senator Pirsch, would you record your presence, please. Thank you. Now they are all here. The question is the return of the bill. (Gavel.) The question is the return of the bill for a specific amendment and a roll call vote has been asked for. Mr. Clerk. Please hold it down so
