

would include? Are there any items that you know of, other items that would be included? Is a boat included?

SENATOR HOAGLAND: If it were registered.

SENATOR BEUTLER: Okay, if it is required to be registered under the motor vehicle registration laws?

SENATOR HOAGLAND: Right.

SENATOR BEUTLER: Okay, what about UCC filings, are those included? I assume they are not included. They are required to be filed. I don't know if it would mean registered in a sense there, in the county clerk's office.

SENATOR HOAGLAND: No, if they are simply filed but not registered, they would not be.

SENATOR BEUTLER: Okay, so UCC filings are not included?

SENATOR HOAGLAND: Right.

SENATOR BEUTLER: All right, so we have got motor vehicle registration and that is all that is intended, basically, by this particular section?

SENATOR HOAGLAND: Yes, that is correct.

SENATOR BEUTLER: Okay, thank you.

SPEAKER NICHOL: Who wishes to close on this. Senator Vard Johnson.

SENATOR V. JOHNSON: Mr. Speaker, members of the Legislature, I have visited with my colleagues, Hoagland, Higgins, Beutler, and a few others, and they indicate to me that they think in the last analysis that probably the current lien law is the better policy. I visited with Senator Carsten for just a moment. He said your amendment probably is a pretty good amendment but I think that maybe this is one of those times when a go-slow approach to a change would be advantageous, and because of that, I have decided that probably the better part of discretion is to withdraw the amendment. So I am going to withdraw the amendment.
