

know to be the regular employment relationship which is, yes, an employer can be required to take money from the hands of the employee, and an employee is a person in his payroll compensated for the services. Let's do that. Let's don't take up that additional step though and make every independent contractor an employee. This amendment takes out the independent contractor language in the definition of the employee.

SPEAKER NICHOL: You have heard the closing. The question is the adoption of the amendment by Senator Beutler and Senator Vard Johnson. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: Mr. President, I have a request for a record vote. (Record vote read. See pages 203-4 of the Legislative Journal.) 28 ayes, 2 nays, Mr. President, on adoption of the amendment.

SPEAKER NICHOL: The amendment is adopted. Do you have anything else, Mr. Clerk?

CLERK: Mr. President, Senator Hoagland would move to amend, Senators Hoagland and Lynch.

SPEAKER NICHOL: Senator Hoagland, please.

SENATOR HOAGLAND: Mr. Speaker, if you look at the handout pertaining to the reporting requirements of the clerks of the district court, you will see that it contains language indicating that the clerks don't have to report more than on a monthly basis. This "on a monthly basis" was inadvertently omitted from the merged amendment. This amendment inserts "on a monthly basis", something that Senator Lynch and I talked about earlier today, to make it clear that they don't have to report information more frequently than on a monthly basis unless the requirements of the public law make it necessary to do so. So with that, Mr. Speaker, I would ask for the adoption of this amendment.

SPEAKER NICHOL: Any further discussion? The question is the adoption of the amendment. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 29 ayes, 0 nays on adoption of the amendment, Mr. President.
