SPEAKER NICHOL: If I could have your attention a moment, please, the Chairman of the Banking Committee, Senator John DeCamp, has announced that the hearing on LB 603 will be 10:00 a.m., Friday, this coming Friday, day after tomorrow, in Room...I don't know what room but someplace. Senator Hoagland has asked that the Judiciary Committee meet under the south balcony immediately upon adjourning in a few minutes so that you can decide for sure which day you will have the hearing but Senator Hoagland suggests that perhaps it be at the same time Friday, this coming Friday at ten o'clock, but that should be firmed up by the Judiciary Committee and it will be on the agenda tomorrow as to what time that actually is. Please bear in mind that Senator Cal Carsten has called a session of the Executive Board meeting immediately following the session tomorrow morning. We will meet tomorrow morning at nine o'clock, ladies and gentlemen, tomorrow morning at nine o'clock. Please spread the word to the other members of the Legislature so that we don't arrive late. Nine o'clock...no, tomorrow at nine o'clock. Tomorrow is Thursday so nine o'clock tomorrow and the meeting tomorrow will be very short so you perhaps would like to be on time. A word to the wise is sufficient. So, Senator Jackie Smith, would you like to adjourn us until nine o'clock tomorrow morning, please.

SENATOR SMITH: Mr. Chairman, I make the motion that we adjourn until nine o'clock tomorrow morning, November the 13th.

SPEAKER NICHOL: You have heard the motion. All those in favor say aye. Opposed nay. We are adjourned until nine o'clock tomorrow morning. Thank you for your attendance today.
