

SENATOR CARSTEN: ...the Judiciary hearing room till eleven-thirty, is it? I believe this morning they will be there till then. I would encourage you to think seriously of doing it. Very worthwhile. Thank you.

SPEAKER NICHOL: Thank you, Senator Cal Carsten. I certainly do wish to emphasize what Senator Carsten has done. I have been through it this morning and it is always well to get your blood pressure and your cholesterol knowledge. So I urge you to do that until eleven-thirty this morning. Incidentally, Senator Carsten, the fee is \$2.00, but if you ever had that done in a hospital, you will realize what a bargain it is. I believe that we have a new member of the Legislature coming in that Senator Lundy wishes to introduce. Senator Lundy, please.

SENATOR LUNDY: Mr. Speaker, it is my pleasure to introduce the successor to my office, the Senator-elect Lorraine Langford from Kearney. She will adequately and completely, I am sure, represent the State of Nebraska and especially the 36th District. She was unable to attend the other day and I am glad she could be here this morning so that I could introduce her. Please welcome, if you will, Senator-elect Lorraine Langford.

SPEAKER NICHOL: Thank you, Senator Lundy, and welcome, Senator-elect Langford. Are there any other new members that will be coming in the first of the year that I have not noticed? Okay, starting Monday morning, incidentally, as you all know, only members of the Legislature are allowed on the floor but, of course, the new elected members may certainly sit at the side if they like, but starting Monday, so that we don't embarrass you, we ask the new members not to be on the floor at the time we are conducting business. Mr. Clerk, do you have anything further?

CLERK: Yes, sir, Mr. President, I have a new resolution being offered by Senator Vickers and Senator Schmit. (Read LR 3. See pages 56-57 of the Legislative Journal.) Mr. President, that resolution will be laid over.

I have an Attorney General's Opinion addressed to Senator Haberman. That will be inserted in the Journal. (See pages 57-59 of the Legislative Journal.)

And, Mr. President, Senator Chambers has amendments to be printed, Mr. President. (See page 60 of the Legislative
