

specific section. Page 10, Program number 572, Services and Supports. Is this appropriate to talk about it at this time, Mr. Speaker, since it's going to come up as a specific item and voted on separately? Is it appropriate to talk to it at this time or should I wait until that point?

SPEAKER NICHOL: Yes, if it's not one of those that we have excluded.

SENATOR HALL: It is one of those that we have excluded. I made a request.

SPEAKER NICHOL: Okay, then it is not proper to talk to it.

SENATOR HALL: Not at this time?

SPEAKER NICHOL: Not at this time, right.

SENATOR HALL: Thank you.

SPEAKER NICHOL: Senator Haberman, please. Senator Warner, did you wish...Senator Warner, Senator Warner, did you wish to close on the portion of the committee amendments with the exception of those that we have deleted out at this time? Just...I'm sorry, just a minute. Start over again.

SENATOR WARNER: I would move the adoption of the committee amendments with the exception of those that the Clerk has identified to be taken up separately.

SPEAKER NICHOL: I'm sorry, I was distracted. We have some smoke coming out of a wire here so...okay, were you finished, Senator Warner? Senator Warner, were you finished?

SENATOR WARNER: Yes.

SPEAKER NICHOL: The question before you is the adoption of the committee amendments with the exception of those outlined earlier. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 27 ayes, 6 nays on adoption of a portion of the committee amendments, Mr. President.

SPEAKER NICHOL: That portion of the committee amendments is adopted.
