SENATOR CARSTEN: If you request that, the Chair will grant that.

CLERK: Mr. President, the amendment is on page 46 of the Legislative Journal and reads as follows. "On page 6, after line 20, insert the following: It is the intent of the Legislature that reductions to state aid to education made during the Eighty-ninth Legislature, Fourth Special Session, 1986, result in actual program reductions by school districts. The school districts shall not increase property taxes to compensate for such reductions. School districts shall adjust their budgets to reflect a decrease in state aid to education and shall treat such reduction as a permanent reduction. Each school district shall itemize program reductions made as a result of such legislative action and the dollar savings attributable to each program reduction. Such itemization shall be submitted to the Legislative Fiscal Analyst by February 1, 1987."

SENATOR CARSTEN: The Chair would request that all senators return to your chairs now, we are under call. We would ask that you be in your seat. The question is, shall the DeCamp amendment be adopted? All those in favor...oh, that's right, we've had a machine. Do you want to...we will accept call in votes. Did you ask a roll call? Okay, roll call vote has been asked for. We will then do it. Mr. Clerk, please call the roll then. Mr. Speaker, the Chair respectfully asks you if you will take your seat so that we may proceed with our call of the house and the roll call vote. Thank you, sir. You may proceed, and let's keep it quiet so the Clerk can hear the vote.

CLERK: (Read the roll call vote as found on page 51 of the Legislative Journal.) 17 ayes, 24 nays, Mr. President.

SENATOR CARSTEN: The motion fails. Do you have anything further on the bill, Mr. Clerk?

CLERK: Yes, sir, I do.

SENATOR CARSTEN: The call is raised.

CLERK: Mr. President, the next amendment I have...the next series of amendments I have are offered by Senator Chambers. Senator Chambers is excused until he arrives.
