

more in the...where the spring work load would relate, some of it would relate to seed testing and some of it would relate to probably brucellosis testing in cattle, but I don't think anybody looks on it as a significant reduction in the turn around time.

SENATOR CHAMBERS: Oh, if it's not seen as significant by those who would be involved, I will withdraw that amendment too.

SPEAKER NICHOL: It is withdrawn. Number four.

SENATOR CHAMBERS: I will withdraw number four.

SPEAKER NICHOL: All right, we'll go to number five. Excuse me, Senator Chambers, just a minute.

CLERK: Give me a minute. I'm moving...

SENATOR CHAMBERS: Oh, I'm sorry, Mr. Clerk...

CLERK: That's okay.

SENATOR CHAMBERS: I was listening to Senator Nichol.

SPEAKER NICHOL: It's my fault.

SENATOR CHAMBERS: Mr. Speaker, stay out of this.

SPEAKER NICHOL: No, it's my fault.

SENATOR CHAMBERS: We were moving right along though, weren't we?

SPEAKER NICHOL: Oh, yes, yeah.

CLERK: I'm on number five, Senator.

SENATOR CHAMBERS: All right, I will withdraw that one also.

SPEAKER NICHOL: It is withdrawn. Now, wait a minute, Senator Chambers.

CLERK: Number six, Senator.

SENATOR CHAMBERS: Mr. Chairman and members of the Legislature, this deals with the cut in the Social Services Department. I
