

Oftentimes, and I would just like to comment in a general way, oftentimes there are people in this body who, by specific action, seem to have taken leadership roles and accomplished certain task. By...on the opposite side of the coin, the vast majority of this body are people like Senator Marvel who worked every day, who were not much in the limelight, who did not make long speeches on the floor, but who, in their everyday activity, epitomize the work of the Legislature as the very best. There are a lot more of us in that category, I think, than there are in the other category. I know that Senator Warner makes an excellent point. We discussed it...I was here when Senator Gerdes passed away, and we discussed whether or not that might not be a fitting memorial to Senator Gerdes. I stand and hope that we will some day have a memorial to Senator Gerdes. I do, however, think that the resolution is in order. It is deserving of your support and if, by the time the bill comes along, there are those who feel otherwise, of course, they are not bound by the resolution. I would hope that they would feel that they could continue to support the resolution and the naming of the building after Senator Marvel. I ask for your support and thank you very much.

SPEAKER NICHOL: Thank you, and Senator Smith has asked for a call of the house. The question is, shall the house go under call? All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 23 ayes, 0 nays to go under call, Mr. President.

SPEAKER NICHOL: The house is under call. Will you please record your presence. Those not in the Chambers, please return and record your presence. Looking for Dick Peterson, Senator Dick Peterson. Senator Higgins, would you please record your presence. Thank you. The question now is the adoption of the Schmit resolution. All in favor vote aye, opposed nay. Have you all voted that care to? Record, Mr. Clerk, please.

CLERK: 38 ayes, 1 nay, Mr. President, on adoption of the resolution.

SPEAKER NICHOL: The resolution is adopted. Do we have a report, Mr. Clerk?

CLERK: Right before that, if I might, I have requests from some members to add their names to LR 3 and a request to withdraw a name as co-introducer on LR 3, Mr. President.
