

SENATOR SCHIMEK: Okay.

SENATOR ROBINSON: \$354, 16.2 percent of the 2,180.

SENATOR SCHIMEK: Okay, thank you for figuring that.

SENATOR ROBINSON: So am I interpreting that right, that they are getting an increase of 16.2 percent?

SENATOR SCHIMEK: No, I don't think so.

SENATOR ROBINSON: I am asking you that.

SENATOR SCHIMEK: No, the increase is...

SENATOR ROBINSON: You say the increase per new student would be \$354.

SENATOR SCHIMEK: Right.

SENATOR ROBINSON: Increase over what?

SENATOR SCHIMEK: Well, the present cost per student is \$2,182.

SENATOR ROBINSON: So it would be 354 added on to the 2,182.

SENATOR SCHIMEK: Added on to that.

SENATOR ROBINSON: Is that right?

SENATOR SCHIMEK: Which would be about 24 or 25 hundred dollars per student.

SENATOR ROBINSON: So it is a 16.2 percent increase?

SENATOR SCHIMEK: If you say so, Senator. I haven't sat down and figured it.

SENATOR ROBINSON: Well, I figured on my calculator, that is what it is. Well, man, that is quite an (interruption)...

SENATOR SCHIMEK: That can't be right, can it, 16 percent.

SENATOR ROBINSON: I don't know, I'm...you said the funding per new student is \$354.
